

The Strata stacking chair provides a flexible and efficient solution for venues requiring rapid deployment of seating. Capable of forming complete auditorium layouts with ease, it also serves as a refined option for banqueting use when required.

Upholstery options are available to match our Gallery 3 or S200 chair models, allowing for visual consistency across seating types. The Strata chair may be used independently or as a complementary addition to banks of retractable seating, offering seamless integration within multi-purpose environments.

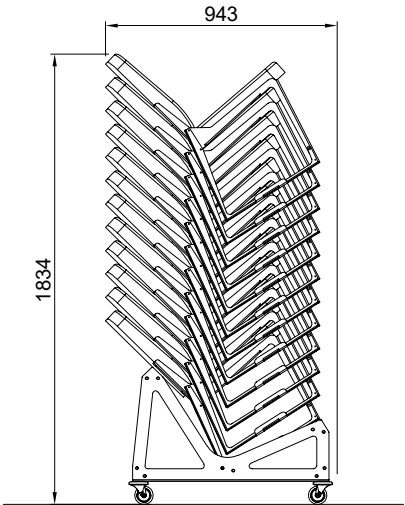

## FEATURES

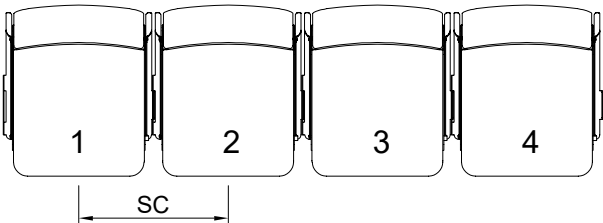

- Integral linking mechanism
- Complementing storage trolleys and
